Go to your campus Learning Management System (LMS) and log in.

Click the link for your course.

Click any link to Cengage content to continue the registration process.

Your course materials will open in a new tab or window, so be sure pop-ups are enabled.

If you're not sure where to click, ask your instructor or try a few links. You'll know you've clicked the right one when you see the Cengage login screen.

The WebAssign link should be located on the left side of your screen in the blue toolbar. Make sure you are in the appropriate Blackboard course.

2 | Log In to Your Account

To link your Cengage account with your campus LMS account, click "Sign In" and then log in using your Cengage account information.

SIGN IN WITH CENGAGE

You might already have a Cengage account if you've used MindTap, CengageNOWv2, OWLv2, SAM, WebAssign or another Cengage platform in a different course.

OR

Don't have a Cengage account?

Create one by clicking "Create Account." We highly recommend using your school email address to register.

CREATE ACCOUNT

Create a Cengage account for increased security and access to a wide range of learning resources in addition to WebAssign. [Already have a Cengage Account? Sign in here.](#)

To continue using WebAssign, you must accept the terms of the [Cengage Learning Service Agreement](#).

I have read and agree to the CengageBrain Service Agreement

Linking your accounts is a one-time process. If you've previously completed this step for another course, you won't be prompted to do it again.

3 | Access Your Course Materials

You have options for accessing your course materials.

The screenshot displays the Cengage WebAssign student interface. At the top, the user is identified as Joseph. The navigation bar includes Home, My Assignments, Grades, Communication, and Calendar. The current course is Stewart Precalculus: COREQUISITE Support Course 1, section 01, Fall 2020, taught by Instructor Lombard, Rita. The main content area is divided into three sections: My Assignments, My Class Insights, and My Calendar. The My Assignments section contains a table of assignments with their names and due dates. The My Class Insights section provides tips for maximizing study time. The My Calendar section includes a search bar for jumping to a specific date.
